Privacy Policy

SAESOL Tech(hereinafter referred to as the "Company") complies with the Personal Information Protection Act and relevant laws through the operation of the V2X RootCA. To ensure prompt and smooth handling of any concerns related to the information collected during certificate applications, the Company provides the following Privacy Policy.

Article 1 [Purpose]

The Company processes personal information for the following purposes. The processed personal information will not be used for any purposes other than those specified below. If the purpose of use is changed, prior consent will be obtained.

Article 2 [Personal Information Collected]

The Company collects the following minimum personal information necessary to provide certificate issuance and management services

- Name
- Date of birth
- Contact information (E-mail, Phone number or mobile phone number)
- Job title
- Name of the affiliated company and supporting documentation to verify affiliation

Article 3 [Purpose of Use of Personal]

The collected personal information is used solely for the following purposes

- Verification of the certificate application identity and authority
- Provision of PKI services such as certificate issuance and revocation
- Ensuring secure communication and integrity within the V2X network
- Prevention of misuse and detection of anomalies
- Record retention for compliance with legal obligations and despite resolution

Article 4 [Retention and destruction of Personal Information]

The Company retains personal information only for the minimum required period and securely destroys it without delay after the legally mandated retention period expires.

Item	Retention Period
Certificate issuance and validation records	Retained for 5 years from certificate expiration date
Log records	Retained for 5 years from certificate expiration date
Other personal information	Immediately destroyed or anonymized after the purpose of collection is achieved

Destruction Methods

- Electronic files : Permanently deleted using technical methods that prevent recovery
- Documents : Physically destroyed by shredding or incineration

Article 5 [Provision of Personal Information to Third Parties]

In principle, the Company does not provide personal information to third parties without the user's consent. Exceptions include

- When required by law or upon request from investigative agencies
- When certificate information is published in public repositories for validation and CRL (Certificate Revocation List) checking (Note: Personal information is not included)

Article 6 [Entrustment of Personal Information Processing]

If necessary for certificate issuance tasks, the Company may entrust the processing to a trusted external vendor. In such cases, a separate consent form will be obtained or the user will be notified of the outsourcing.

Article 7 [Rights of Information Subjects and How to Exercise Them]

Users may exercise the following rights regarding their personal information at any time

- Request to view, correct, or delete personal information
- Request to suspend processing or withdraw consent

- Request for certificate revocation or update of personal information

Article 8 [Protection Measures for Personal Information]

The Company implements the following security measures according to audit standards

- Technical Measures
 - Encryption of sensitive information and prevention of unauthorized access
 - Regular backup and secure storage of authentication and audit logs
- Administrative Measures
 - Designation of a personal information protection officer and regular training
 - Minimization and separation of access privileges
 - Internal security inspections and external audits
- Physical Measures
 - Operation of a data center with access control systems
 - Restricted access to secure areas and dual locking systems

Article 9 [Personal Information Protection Officer and Grievance Handling]

To handle inquiries, complaints, and damage relief related to personal information protection, the Company designates the following officer

- Name: Youngok Hwang
- E-mail: bailey.hwang@saesol.tech

Article 10 [Notification of Changes to the Privacy Policy]

This Privacy Policy is regularly reviewed in accordance with WebTrust for CA audit requirements. Changes will be announced in advance via the website or individual notice.

- Initial Date of Enforcement : 2025-06-27
- Last Revised Date : -
- Effective Date : 2025.06.27
